... **An excellent group of speakers and musicians from the PCA.**

Their stories coupled with their sound theology will bless, encourage and equip you for ministry.

... **An experience which is not duplicated anywhere this side of**

**heaven.** History has proven true, when women in the PCA gather with each other, the energy is palpable and significant things happen in their lives and their local churches when they return.

... **To witness the next generation of young women worshipping and**

**learning together.** A discounted registration fee is offered for young girls (ages 13 to 18) to encourage mothers to bring their daughters.

... **A beautiful facility at a beautiful time of year.**

The Cobb Galleria is located in the northwest suburb of Atlanta and offers easy drive-up access with **free parking** for all attendees.

... **Great accommodations.** Special rates are offered at three hotels which were chosen for their convenience, safety, comfort and affordability. One hotel actually adjoins the convention center and another offers covered walkway. Two of the hotels offer suites which are ideal for multiple families of mothers and daughters to "share" the accommodations.
